

FEATURED DESIGNER

Eric Krause takes great pride in his ability to transform spaces by bringing ideas and inspirations to life. Eric has more than two decades of experience in the design field, and has had his own design studio since 2005. Eric's mission is creating interiors with a unique perspective that reflect the client's personality and desires. His designs produce original results that keep his client's vision at the center, enabling each individual's style to emerge into a design that inspires and promotes well-being. His clients find that Eric's detail-oriented, client-focused approach makes him flexible and fun to work with.
